

SCRIBBLEPIE

BRAND PHOTOGRAPHY

MEET ALISSA

Hi! I'm Alissa and I help industry disruptors like you get seen online. My 12 years of experience includes creative direction, photography, brand design, marketing and web design. I am here to support you and make your voice heard. My goal is to make you feel comfortable in front of the camera, because that's where the magic happens. We'll showcase your brand in an artistic way that connects with your audience. I don't just do headshots, photograph your space or your products, I tell your story.

Have questions?

Let's hop on a call to chat about your project!

#1

The Starter Package

THIS IS FOR YOU IF:

You need lifestyle shots of your in your element doing your thing, social media content, webpage photos or headshots. Includes a branding questionnaire and planning session.

INVESTMENT:

\$800 (2 hour session - up to 60 images)

\$450 (1 hour session - up to 30 images)

#2

Half Day

Includes a planning session to establish the brand direction and plan any necessary shots. Includes a 4 hour photoshoot and up to 85 edited photographs. Photo subjects can include your product or service, and your space. Photos are delivered in an online downloadable gallery.

Expect to meet your photographer in your place of business, ready to walk through a day-in-the-life or on-site at a studio or rented location. My goal is to capture what makes your business relatable!

Product shots in this package be used for e-commerce.

INVESTMENT: \$1250 (4 hour session - up to 200 photos)

#3

Full Day

Includes a 7 hour session with a few different looks involved. Photo subjects include your product or service, and your space. Perfect for you if you are wanting many different assets for your brand identity. Includes a planning session to establish the brand direction and plan any necessary shots.

Please expect to meet your photographer in your place of business, ready to walk through a day-in-the-life. We hope to capture what makes your business singularly relatable.

Product shots in this package be used for e-commerce.

INVESTMENT: \$2000 (number of images determined by shot list)

ADD-ONS
